REQUIREMENTS FOR THE VALIDATION OF A PATENT IN THE REPUBLIC OF CYPRUS

A. Documents required

- Signed and Stamped Power of Attorney document from the proprietor of the European patent;
- The European Patent as granted by the EPO (we can download this document from ESPACENET provided we have the European Patent number);
- A Greek translation of the afore-mentioned patent;
- An affidavit that will accompany the translated documents; and
- Form P.17 (this will be completed and filed by our office)

B. Annuity filing

- Signed and Stamped Power of Attorney document from the proprietor of the European patent
- The European Patent number
